- The Dow Jones Industrial Average surged to a record high on Wednesday (October 20), as investor sentiment was bolstered by better-than-expected earnings reports and Bitcoin hitting a new record. Closing the session, the Dow Jones advanced 152.03 points, or 0.4%, to 35,609.34 points, touching an all-time high of 35,669.69 points at the beginning of the session. Although it has broken past its August peak for the session, the index is still 0.1 percent away from its all-time high close.
